leans
. .calling me Uncle is rude!
Well, hold up, girl I don't know what a loli-ta complex or a pervert is, but
3
In the first place, why are you not surprised that a god who has lived for many thousands or tens of thousands of years is this beautiful?
Don't humans panic and show an unsightly side of themselves, going,
"Eek, he's beautiful but terrifying! Help!" when they face a sublime form that's different from that of a human's?

Uncle, are you cosplaying?
Your appearance is rather different from that of the people from the village, is it not?
Ahh, I see.

Another world I don't know.
...What was that about a pervert with a lolita complex?
Because, even though you're an adult, you like kids!

Such a trivial matter bothers you, huh.

But she's clever. She's clever, I tell you I've seen through that Water God is not suitable as a partner.
She's probably too young and doesn't understand!
This girl isn't afraid at all, huh.

Lonely...
Uncle...are you lonely?
Is that why you are in such an empty place?
You poor thing. Are you hated?
...You need those, huh.
Don't you need stuff like a bed, a bath, a chair, or a table?
Why?
It's not that there's nothing here. It's just that I don't need anything.

Fine.
I'll show off a bit.

You were submerged for the sake of their wealth and prosperity!
What greedy, filthy living things they are!

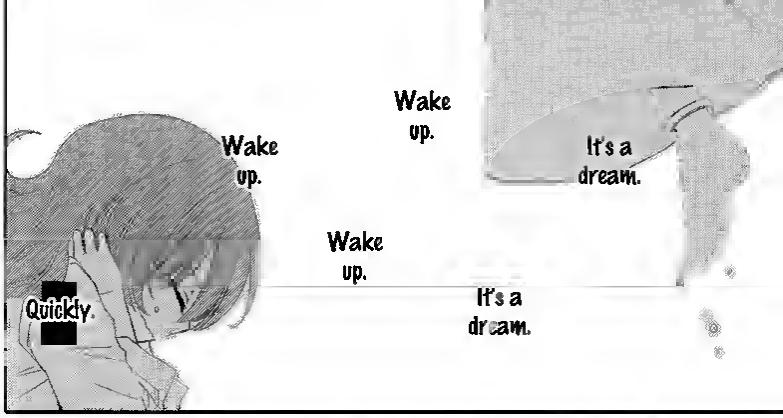
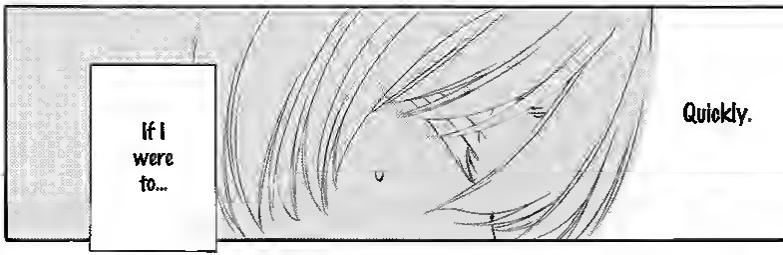
That was a dream!
This is a dream!!
My papa and mama won't do such a thing!



Wake up.
Wake up.
It's a dream.
Wake up.
Quickly.
It's a dream.



If I were to...
Quickly.

...away from this strange place...
...awake from my slumber...

...for many days.

...I wondered why I was so hungry, even though I was inside a dream.
On the second day...

On the third day...
...I was frightened by my extreme hunger.

And then my knees gave in..

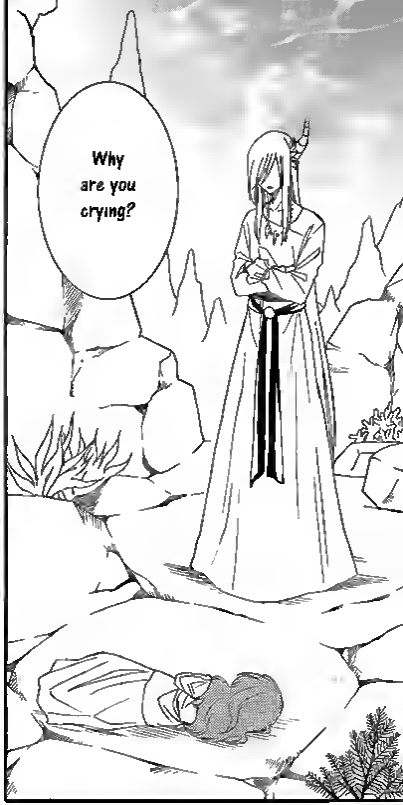
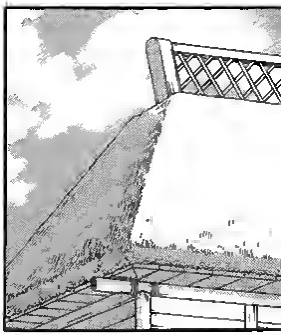
Somehow, I came to an understanding
...that it was not a dream.

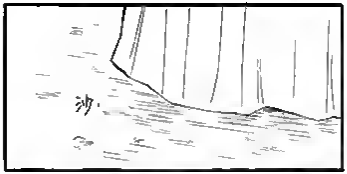


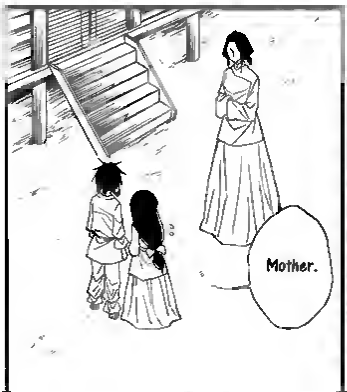
I remembered...

...that this is...
...a terribly frightening place.

Wait...!
Brother...!

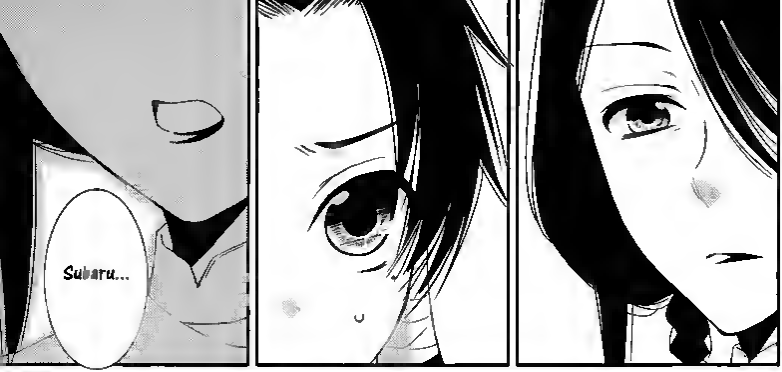






Mother.

If Mother finds out, she'll get mad.
Brother, you're going out again?
To the lake...?



Subaru...

Do you want to see the poor girl's miserable corpse that was eaten by fishes?
Give up.

There's no way to get it back.
